CONTACT US

AM POWER CORD CORPORATION

Am Power Cord Corporation is functioning in Cochin Special Economic Zone, Kerala, India. We are a 100% export oriented unit catering to the needs of our clients in USA, UK, and other European Countries since the year 2000.

The unit manufactures a wide range of Braided Cords, also known as Round Elastic Cords, Bungee Cords, Stretch Cords or Shock Cords from diameter 1.5mm to 20 mm (1/16" to 3/4") in spools. We can manufacture Double Braided Cords too. We also have different types of Bungee Cord Assemblies, mainly Hooked cords, Loops, Ball Bungees, Cord Locks, Hog Rings etc. Custom Cord Assemblies and cuttings are also done. Non Elastic Braided Rigid Cords are produced on special orders.
